

BOROUGH OF PRINCETON

Computer Drop-off Program

The Borough of Princeton, through cooperation with Goodwill Industries of Southern NJ & Philadelphia, will be conducting a Computer Drop Off program. Donations of all unwanted computers and computer equipment of any brand will be accepted.

The purpose of this program allows residents to discard their used and outdated computer equipment to Goodwill in a "Green" manner and to reduce the Princeton Borough waste stream.

The proceeds from these donations are returned to Goodwill and help support Goodwill's important mission of putting people to work. Help protect the environment and benefit the community with support of this program.

Where: Princeton Hook & Ladder, 27 N. Harrison Street, Princeton Borough

When: Thursday September 17, Friday September 18 and Saturday, September 19, 2009

Time: Between 9 AM and 4 PM

What to bring: Any old used computer equipment, including PC's, CRT monitors, flat screen monitors, laptops, printers, scanners, fax machines, keyboards, cables, mouse, etc.

Any questions regarding this program should be directed to the Princeton Borough Engineering Department at 609-497-7634. Thank you for helping make Princeton Borough a "Green" community.

THE BOROUGH WILL ALSO BE COLLECTING DONATIONS FOR C.A.R.E.

Community Access to Rehabilitation Equipment

Your ReSource, Inc., a 501(c)(3) nonprofit organization will be present at the site to accept your donations of no-longer-needed, gently used medical equipment for their CARE Program. All items are refurbished and made available to anyone, for affordable costs or distributed free of charge. Examples of items to be collected are: manual wheelchairs, walkers, canes, crutches, commodes, shower chairs, grab bars, hand and ankle weights, reachers, shoe horns, etc. Unopened boxes of medical supplies will also be accepted.

All donors will receive a tax deduction receipt. Special arrangements must be made for the donation of larger items.

To find out more about the CARE Program call 609-530-1513
